

Prince Albert Collegiate Institute

Welcome to Prince Albert Collegiate Institute

PACI is Prince Albert's newest high school with the strongest tradition. We offer students interesting and challenging programs that involve serious learning with opportunities for fun and participation. All of this happens in a small school with a friendly and supportive staff.

Our Mission

The PACI staff believes our mission is to provide a respectful and caring environment with high standards to encourage the highest performance of each and every student.

Academics

PACI has always been proud of its strong academic program.

Grade 9

The classes for grade 9 students are guided by Saskatchewan Learning. All students will take the following classes:

- Language Arts;
- Math;
- Social Studies;
- Skills
- Science;
- Physical Education;
- Practical and Applied Arts;
- Guitar, Visual and Performing Art

Grades 10, 11 and 12

The variety of courses offered at PACI continues to grow because of student and staff interest and expertise. A full listing of the courses can be found on our Course Selection Document. A few unique or new offerings include the following:

- Music 10, 20 and 30 taught using guitars and other modern instruments;
- Construction 10, 20 and 30
- Canadian Studies 30 and Social Studies 10 learned from the experience of traveling across Canada.

PACI Values and Leadership

PACI has a proud tradition of developing leadership and character values. Our commitment is to help student develop into responsible, competent and contributing citizens in their community. Our enrolment numbers allow each and every student to feel valued and respected and invited to be a part of the school culture

Extracurricular Opportunities

Students at PACI are able to belong to an incredible assortment of teams and clubs. Our staff believes strongly in the importance of academic, social and athletic clubs and teams. Students are able to learn new skills, meet new people, be competitive and most importantly have fun in the following programs:

Academic

- Media Club

- School dances
- Winter Day at Little Red

Athletics

- Volleyball
- Football
- Golf
- Cross country running
- Cheer Squad
- Soccer
- Basketball
- Badminton
- Wrestling
- Track and Field
- Rugby

Student Services

The services available to students are in place to ensure that all students get the support they need to reach their academic and social potential. We aim to help students set and reach goals and prepare for their future. The programs include:

- Tutorial support
- Guidance Counseling
- Addictions counseling
- Mental health counseling
- Post-secondary information
- Catch up and Munchies Homework Help

Small School - Big Heart

PACI students have described their school as a home away from home. The relationships between the students and between the students and staff grow stronger and more meaningful in a small school. The communication is more direct and personal between the school and our families and the community. Our school day is designed with an Advisory period to create more contact between students and staff in a non-academic, supportive way.

PACI

Pride – Achievement – Courage - Integrity
