

## Math: High-Mid-Low Descriptors

Rubric Descriptor	Rubric Level	Understandings	Percentage Points Range
<b>Mastery</b>	<b>4+</b>	Student has demonstrated a deep understanding of the outcome. Their work is accurate and precise.	96 – 100
	<b>4</b>	Student has demonstrated a deep understanding of the outcome with insignificant omissions or errors.	91 - 95
	<b>4-</b>	Student has completed level 2 and 3 understandings and some of the level 4 understandings.	86-90
<b>Proficiency</b>	<b>3+</b>	Student has completed level 2 and 3 understandings.	81-85
	<b>3</b>	Student has completed level 2 and 3 understandings but has missed or is incomplete in one level 2 or 3 understanding.	76-80
	<b>3-</b>	Student has completed level 2 and several of level 3 and/or 4 understandings.	71-75
<b>Approaching</b>	<b>2+</b>	Student has completed level 2 and minimal level 3 and/or 4 understandings.	66-70
	<b>2</b>	Student has completed level 2 understandings.	61-65
	<b>2-</b>	Student has inconsistent understanding at level 2 and the student has shown minimal understanding of level 3 and/or 4 questions.	56-60
<b>Beginning</b>	<b>1+</b>	Student shows inconsistent understanding of level 2 skills but understands the processes required.	50-55
	<b>1</b>	Student begins to show understanding of outcome content but is unable to perform some processes required.	43-49
	<b>1-</b>	Student does not understand the outcome skills but has done something mathematically correct.	36-41
