For detailed information on PE20/30 foundational and learning objectives refer to pp. 108-122 in the [Instructional Physical Education 20/30 \(1994\) curriculum guide](#).

“It is not necessary to attempt to meet all the objectives stated on these pages. In consultation with students, teachers will be able to determine which objectives best deal with individual and group needs” (p. 107).

“Foundational objectives form the basis for curriculum assessment and student evaluation. No matter what strategies are used, foundational objectives should be the main focus of evaluation” (p. 93).
