--	---

Goal: To co-create survey courses based on the curricular requirements for PAA for grades 7 to 9, utilizing the resources available in a variety of school settings. We will create project based performance tasks and assessments during this day and discuss further needs to support the continued design and implementation of these survey courses.

- So that teachers**
- Can explore the changes to the renewed areas of PAA
 - Are able to plan according to the curricular expectations of middle level PAA
 - Are able to plan and explore lessons and performance tasks that meet PAA outcomes using the available resources within their buildings
 - Collaboratively plan a PAA survey course
- So that students....**
- Are able to experience a variety of PAA opportunities within their schools
 - Are able to achieve the PAA outcomes of a survey course
