<input type="checkbox"/> Awareness – curriculum overview <input checked="" type="checkbox"/> Exploration – unit planning, teaching strategies, integration into existing curricula <input type="checkbox"/> Synthesis – implementing and seeing using relationships of curriculum parts <input type="checkbox"/> Refinement – thorough incorporation of all curriculum components and integration with other curricula	<h1>SPECIAL CLASS TEACHERS' MEETING</h1>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------

Goal:
To provide programming that meets the needs of our students with special needs.

So that teachers

- Improve their practices through collaboration with other teachers.

So that students....

- Achieve their outcomes.
