Who: Date: Time: Location: Facilitator(s): Bring:	Grades 4-8 Teachers Friday, January 24 th 1:00 – 3:30 Education Centre Ron Fines & Stacey Monette Laptop	
Overview: Join us for an afternoon of virtual and augmented reality using the school division’s new set of VR headsets. During this workshop, you will have the opportunity to experience virtual and augmented reality using the VR headsets. These devices were designed with education in mind. We will take time to explore the extensive Class VR website of premade lessons and resources. You will be able to use these in your classroom immediately (or as soon as you can book the headsets.) We want you to leave this workshop with concrete ideas of how you can help your students meet their curricular outcomes through virtual reality and augmented reality experiences. NO previous experience needed. These are very easy to use. What can you expect? Watch this video: An Overview of ClassVR		
<p>For workshop information contact: Stacey Monette or phone 764-1571</p> <p>Deadline for Registration: Jan. 22, 2020</p> <p>Maximum of Participants 20</p> <p>Registration will only be accepted through online registration</p> <p>Click Here To Register</p> <p>Workshop Name: Virtual Reality</p> <p>Complete “Request for Leave” Form: (please check one):</p> <p><input checked="" type="checkbox"/> Curriculum (CURR)</p>
