## Management's Responsibility for the Financial Statements

The School Division's management is responsible for the preparation of the financial statements in accordance with Canadian public sector accounting standards and the format specified in the Financial Reporting Manual issued by the Ministry of Education. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The School Division's management maintains a system of accounting and administrative controls to ensure that accurate and reliable financial statements are prepared and to provide reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Education is composed of elected officials who are not employees of the School Division. The Board is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and for approving the financial statements. The Board is also responsible for the appointment of the School Division's external auditors.

The external auditors, MNP LLP, conduct an independent examination in accordance with Canadian auditing standards and express their opinion on the financial statements. The accompanying Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the School Division's financial statements. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

On behalf of the Saskatchewan Rivers School Division No. 119:

  
Board Chair

  
CEO/Director of Education

  
Chief Financial Officer

## Independent Auditor's Report

---

To the Trustees of the Board of Education of Saskatchewan Rivers Public School Division No. 119:

### Opinion

We have audited the financial statements of Saskatchewan Rivers Public School Division No. 119 (the "School Division"), which comprise the statement of financial position as at August 31, 2023, and the statements of operations and accumulated surplus from operations, changes in net financial assets, cash flows and the related schedules for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School Division as at August 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School Division in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School Division or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School Division's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Independent Auditor's Report *continued*

---

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**1. AUTHORITY AND PURPOSE**

The School Division operates under the authority of *The Education Act, 1995* of Saskatchewan as a corporation under the name of “The Board of Education of the Saskatchewan Rivers School Division No. 119” and operates as “the Saskatchewan Rivers School Division No. 119”. The School Division provides education services to residents within its geographic region and is governed by an elected board of trustees. The School Division is exempt from income tax.

**2. SIGNIFICANT ACCOUNTING POLICIES**

Significant aspects of the accounting policies adopted by the School Division are as follows:

**a) Basis of Accounting**

These financial statements have been prepared in accordance with Canadian public sector accounting standards for other government organizations as established by the Public Sector Accounting Board (PSAB) and as published by the Chartered Professional Accountants of Canada (CPA Canada).

**b) Trust Funds**

Trust funds are properties assigned to the School Division (trustee) under a trust agreement or statute to be administered for the benefit of the trust beneficiaries. As a trustee, the School Division merely administers the terms and conditions embodied in the agreement, and it has no unilateral authority to change the conditions set out in the trust indenture.

Trust funds are not included in the financial statements as they are not controlled by the School Division. Trust fund activities administered by the School Division are disclosed in Note 14 of the financial statements.

**c) Measurement Uncertainty and the Use of Estimates**

Canadian public sector accounting standards require management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**c) Measurement Uncertainty and the Use of Estimates (continued)**

Measurement uncertainty that may be material to these financial statements exists for:

- the liability for employee future benefits of \$3,216,100 (2022 - \$3,221,600) because actual experience may differ significantly from actuarial estimations.
- useful lives of capital assets and related accumulated amortization of \$101,928,619 (2022 - \$100,417,237) because the actual useful lives of the capital assets may differ from their estimated economic lives.
- estimated undiscounted asset retirement obligation of \$2,708,389 (2022 - \$4,698,489) because actual expense may differ significantly from valuation estimates.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the periods in which they become known.

While best estimates are used for reporting items subject to measurement uncertainty, it is reasonably possible that changes in future conditions, occurring within one fiscal year, could require material changes in the amounts recognized or disclosed.

**d) Financial Instruments**

Financial instruments are any contracts that give rise to financial assets of one entity and financial liabilities or equity instruments of another entity. A contract establishing a financial instrument creates, at its inception, rights, and obligations to receive or deliver economic benefits. The School Division recognizes a financial instrument when it becomes a party to the contractual provisions of a financial instrument. The financial assets and financial liabilities portray these rights and obligations in the financial statements. Financial instruments of the School Division include cash and cash equivalents, accounts receivable, portfolio investments and accounts payable and accrued liabilities.

All financial instruments are measured at cost or amortized cost. Transaction costs are a component of the cost of financial instruments measured using cost or amortized cost. For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenues or expense. Impairment losses such as write-downs or write-offs are reported in the statement of operations and accumulated surplus from operations.

Gains and losses on financial instruments, measured at cost or amortized cost, are recognized in the statement of operations and accumulated surplus from operations in the period the gain or loss occurs.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**d) Financial Instruments (continued)**

Foreign currency transactions are translated at the exchange rate prevailing at the date of the transactions. Financial assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the exchange rate prevailing at the financial statement date. The School Division believes that it is not subject to significant unrealized foreign exchange translation gains and losses arising from its financial instruments.

Remeasurement gains and losses have not been recognized by the School Division in a statement of remeasurement gains and losses because it does not have financial instruments that give rise to material gains or losses.

**e) Financial Assets**

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations. Valuation allowances are used where considered necessary to reduce the amounts reported for financial assets to their net realizable value.

**Cash and Cash Equivalents** consist of cash and bank deposits held for the purpose of meeting short-term operating cash commitments rather than for investing purposes.

**Accounts Receivable** includes other receivables.

Other receivables are recorded at cost less valuation allowances. These allowances are recorded where collectability is considered doubtful. Other receivables include First Nations tuition fees, goods and services tax rebate, provincial sales tax rebate and other miscellaneous items.

**Portfolio Investments** consist of term deposits. The School Division values its portfolio investments in accordance with its policy for financial instruments, as described in Note 2 (d).

**f) Non-Financial Assets**

Non-financial assets are assets held for consumption in the provision of services. These assets do not normally provide resources to discharge the liabilities of the School Division unless they are sold.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**f) Non-Financial Assets (continued)**

**Tangible Capital Assets** have useful lives extending beyond the accounting period, are used by the School Division to provide services to the public and are not intended for sale in the ordinary course of operations. Tangible capital assets are recorded at cost (or estimated cost when the actual cost is unknown) and include all costs directly attributable to the acquisition, design, construction, development, installation and betterment of the tangible capital asset. The School Division does not capitalize interest incurred while a tangible capital asset is under construction.

The cost of depreciable tangible capital assets, net of any residual value, is amortized on a straight line basis over their estimated useful lives as follows:

Land improvements (pavement, fencing, lighting, etc.)	20 years
Buildings*	50 years
Buildings – short-term (portables, storage sheds, outbuildings, garages)	20 years
School buses	12 years
Other vehicles – passenger	5 years
Other vehicles – heavy (graders, 1 ton truck, etc.)	10 years
Furniture and equipment	10 years
Computer hardware and audio visual equipment	5 years
Computer software	5 years

\*Buildings that include asbestos and are fully and/or nearly fully amortized have had their useful life reassessed and increased by 10 years

Assets under construction are not amortized until completed and placed into service for use.

Pooled assets in furniture and equipment, computer hardware and audio visual equipment and computer software are written down when the tangible capital assets in its current capacity can no longer contribute to the School Divisions ability to provide services or the value of future economic benefits associated with the tangible capital asset is less than its net book value, and there is no alternative use for the asset

**Inventory of Supplies Held for Consumption** consists of supplies held for consumption by the School Division in the course of normal operations and are recorded at the lower of cost and replacement cost. Inventory of supplies held for consumption include maintenance parts for buses.

**Prepaid Expenses** are prepaid amounts for goods and services which will provide economic benefits in one or more future periods. Prepaid expenses include insurance, Saskatchewan School Boards Association fees, Saskatchewan Workers' Compensation Board premiums and software licenses.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**g) Liabilities**

Liabilities are present obligations arising from transactions and events occurring prior to year-end, which will be satisfied in the future through the use of assets or another form of economic settlement.

**Accounts Payable and Accrued Liabilities** include accounts payable and accrued liabilities owing to third parties and employees for work performed, goods supplied and services rendered, but not yet paid, at the end of the fiscal period. Amounts are payable within one year.

**Asset Retirement Obligation (ARO)** consists of buildings assets that contain asbestos. The School Division recognizes the fair value of an ARO in the period in which it incurs a legal obligation associated with the retirement of a tangible capital asset. The estimated fair value of an ARO is capitalized as part of the related tangible capital asset and amortized on the same basis as the underlying asset.

**Liability for Employee Future Benefits** represents post-employment and compensated absence benefits that accrue to the School Division's employees. The cost of these benefits is recorded as the benefits are earned by employees. The liability relating to these benefits is actuarially determined using the projected benefit method pro-rated on service. Actuarial valuations are performed periodically using assumptions including discount rate, inflation, salary escalation, termination and retirement rates and mortality. An actuary extrapolates these valuations when a valuation is not done in the current fiscal year. Actuarial gains and losses are amortized on a straight line basis over the expected average remaining service life of the related employee groups.

**h) Employee Pension Plans**

Employees of the school division participate in the following pension plans:

**Multi-Employer Defined Benefit Plans**

The School Division's employees participate in one of the following multi-employer defined benefit plans:

- i) Teachers participate in the Saskatchewan Teachers' Retirement Plan (STRP) or the Saskatchewan Teachers' Superannuation Plan (STSP). The School Division's obligation for these plans is limited to collecting and remitting contributions of the employees at rates determined by the plans.
- ii) Other employees participate in the Municipal Employees' Pension Plan (MEPP). The plan is accounted for as a defined contribution plan whereby the School Division's contributions are expensed when due.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**i) Revenue Recognition**

Revenues are recorded on the accrual basis. Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues, provided the amount to be received can be reasonably estimated and collection is reasonably assured.

The School Division's sources of revenues include the following:

**i) Government Transfers (Grants)**

Grants from governments are considered to be government transfers. Government transfers are recognized as revenues when the transfer is authorized, all eligibility criteria have been met, except when, and to the extent, stipulations by the transferor give rise to an obligation that meets the definition of a liability. Transfers with stipulations that meet the definition of a liability are recorded as deferred revenue and recognized as revenue in the statement of operations and accumulated surplus from operations as the stipulation liabilities are settled.

**ii) Fees and Services**

Revenues from tuition fees and other fees and services are recognized in the year they are earned. Amounts that are restricted pursuant to legislation, regulation or agreements with external parties that may only be used in the conduct of certain programs or in the delivery of specific services and transactions are initially recorded as deferred revenue and subsequently recognized as revenue in the fiscal year the related expenses are incurred or services are performed.

**iii) Interest Income**

Interest is recognized as revenue when it is earned.

**iv) Other (Non-Government Transfer) Contributions**

Unrestricted contributions are recognized as revenue in the year received or in the year the funds are committed to the School Division if the amount can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are contributions for which the contributor has placed restrictions on the use of the resources. Externally restricted contributions are deferred until the resources are used for the purpose specified, at which time the contributions are recognized as revenue. In-kind contributions are recorded at their fair value when they are received.

**5. EMPLOYEE FUTURE BENEFITS**

The School Division provides certain post-employment, compensated absence and termination benefits to its employees. These benefits include accumulating non-vested sick leave, retirement gratuity and accumulating vacation banks. The liability associated with these benefits is calculated as the present value of expected future payments pro-rated for service and is recorded as Liability for Employee Future Benefits in the statement of financial position. HUB International Limited, a firm of consulting actuaries, performed an actuarial valuation as at March 31, 2021 and extrapolated the results to estimate the Liability for Employee Future Benefits as at August 31, 2023.

Details of the employee future benefits are as follows:

	2023	2022
Long-term assumptions used:		
Discount rate at end of period (per annum)	4.40%	4.01%
Inflation and productivity rate for teachers (excluding merit and promotion) (per annum)	2.50%	2.50%
Inflation and productivity rate for non-teachers (excluding merit and promotion) (per annum)	3.00%	3.00%
Expected average remaining service life (years)	14	14

**6. PENSION PLANS**

**Multi-Employer Defined Benefit Plans**

Information on the multi-employer pension plans to which the School Division contributes is as follows:

**i) Saskatchewan Teachers' Retirement Plan (STRP) and Saskatchewan Teachers' Superannuation Plan (STSP)**

The STRP and STSP provide retirement benefits based on length of service and pensionable earnings.

The STRP and STSP are funded by contributions by the participating employee members and the Government of Saskatchewan. The School Division's obligation to the STRP and STSP is limited to collecting and remitting contributions of the employees at rates determined by the plans. Accordingly, these financial statements do not include any expense for employer contributions to these plans. Net pension assets or liabilities for these plans are not reflected in these financial statements as ultimate responsibility for retirement benefits rests with the Saskatchewan Teachers' Federation for the STRP and with the Government of Saskatchewan for the STSP.

**SASKATCHEWAN RIVERS SCHOOL DIVISION NO. 119**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

**6. PENSION PLANS (continued)**

**i) Saskatchewan Teachers' Retirement Plan (STRP) and Saskatchewan Teachers' Superannuation Plan (STSP) (continued)**

Details of the contributions to these plans for the School Division's employees are as follows:

	2023			2022
	STRP	STSP	TOTAL	TOTAL
Number of active School Division members	728	1	729	716
Member contribution rate (percentage of salary)	9.50%	6.05%	6.05% - 9.50%	6.05% - 9.50%
Member contributions for the year	\$ 5,664,571	\$ 326	\$ 5,664,897	\$ 5,513,051

**ii) Municipal Employees' Pension Plan (MEPP)**

The MEPP provides retirement benefits based on length of service and pensionable earnings. The MEPP is funded by employer and employee contributions at rates set by the Municipal Employees' Pension Commission.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and the adequacy of plan funding. Any actuarially determined deficiency is the responsibility of the participating employers and employees which could affect future contribution rates and/or benefits.

The contributions to the MEPP by the participating employers are not segregated in separate accounts or restricted to provide benefits to the employees of a particular employer. As a result, individual employers are not able to identify their share of the underlying assets and liabilities, and the net pension assets or liabilities for this plan are not recognized in these financial statements. The plan is accounted for as a defined contribution plan whereby the School Division's contributions are expensed when due.

Details of the MEPP are as follows:

	2023	2022
Number of active School Division members	702	669

Other - GST, PST payable	21,784	26,823
<b>Total Accounts Payable and Accrued Liabilities</b>	<b>\$ 4,474,976</b>	<b>\$ 5,981,334</b>

The School Division recognized an estimated liability for asset retirement obligation (ARO) of \$2,708,389 (2022 - \$4,698,489) for the removal and disposal of asbestos. The nature of the liability is related to asbestos containing materials within several of the School Division's facilities that will be required to be properly disposed of when the building is disposed of, or remediation work is undertaken. The assumptions used in estimating the liability include the various types of asbestos containing materials within each of the School Division's buildings, along with the standard of work that will be required to safely remove the asbestos containing materials. Additionally, assumptions were made around the remaining useful life of all School Division buildings that contain asbestos materials to determine when the remediation costs may be incurred.

The purpose and nature of each External Services program is as follows:

**Kids First Project** offers support to high-risk families with young children.

**Following Their Voices** represents transfers from the Ministry of Education as funding support to raise the educational achievement and participation of First Nations, Metis and Inuit students.

**Family Resource Centre Program** represents transfers received from the Ministry of Education as funding support which will provide flexible early learning and parenting opportunities to families with young children who may not otherwise have access to regulated programs or require additional supports that are not met through other early learning or parenting programs in the community of Prince Albert.

**Other Programs** include after school programs, cafeteria, community mobilization, invitational shared services initiative, nutrition programs, summer literacy camp, driver education program, summer language immersion program and swimming pool.

**12. ACCUMULATED SURPLUS**

Accumulated surplus represents the financial assets and non-financial assets of the School Division less liabilities. This represents the accumulated balance of net surplus arising from the operations of the School Division including school generated funds.

Certain amounts of the accumulated surplus, as approved by the Board of Education, have been designated for specific future purposes and are included in accumulated surplus presented in the statement of financial position. The School Division does not maintain separate bank accounts for designated assets.

Details of accumulated surplus are as follows:

	August 31, 2022	Additions during the year	Reductions during the year	August 31, 2023

**13. BUDGET FIGURES**

Budget figures included in the financial statements were approved by the Board of Education on August 29, 2022, and the Minister of Education on October 27, 2022. Subsequently, certain line items in the budget were reclassified, although the total revenue and total expenses are unchanged. Per the Ministry of Education's directive, grants and expenses for the Drivers Education Program were reclassified from Instruction to External Services.

**14. TRUSTS**

The School Division, as the trustee, administers trust funds for the Saskatchewan Rivers School Division No. 119 of Saskatchewan Charity and Scholarship Fund. Two bank accounts are held: (1) charities and (2) scholarships. The operating cycle for these funds is January 1 to December 31. The accounts are audited by MNP LLP. The trust assets and transactions are not included in the financial statements.

Information about these trusts is as follows:

**15. CONTINGENT LIABILITIES**

The School Division has been named as a defendant in certain legal actions in which damages have been sought. The outcome of these actions is not determinable as at the date of reporting and accordingly, no provision has been made in these financial statements for any liability that may result. The School Division's share of settlement, if any, will be charged to expenses in the year in which the amount is determinable.

**16. CONTRACTUAL OBLIGATIONS**

Significant contractual obligations of the School Division are as follows:

- student transportation services contract, variable monthly cost based on routes, with Parkland Bus Contractors Association for the period July 1, 2022 to June 30, 2027. Costs for the current year were \$1,857,671 (2022 - \$1,617,135).
- operating lease for multifunction printing devices, variable monthly cost based on usage expiring June 30, 2027. Costs for the current year were \$190,192 (2022 - \$208,138).
- five buses to be purchased in 2023/24 in the amount of \$752,650.

**16. CONTRACTUAL OBLIGATIONS (continued)**

- hydronic boilers project contract in the amount of \$790,430 over 2 years. The current amount spent on the contract is \$504,725 and the amount of future costs remaining on the contract is \$285,705.
- roof project contract in the amount of \$740,088 over 2 years. The current amount spent on the contract is \$131,342 and the amount of future costs remaining on the contract is \$608,746.
- window replacement project contract in the amount of \$786,185 over 2 years. The current amount spent on the contract is \$461,365 and the amount of future costs remaining on the contract is \$324,820.
- compressor project contract in the amount of \$14,022 to start and be completed in 2023/24.

**17. COMPARATIVE INFORMATION**

Certain comparative figures have been reclassified to conform to the current year's presentation.

**18. RISK MANAGEMENT**

The School Division is exposed to financial risks from its financial assets and liabilities. These risks include credit risk, liquidity risk and market risk (consisting of interest rate risk and foreign exchange risk).

**i) Credit Risk**

Credit risk is the risk to the School Division from potential non-payment of accounts receivable. The credit risk related to the School Division's receivables from provincial government, federal government and their agencies are considered to be minimal. For other receivables, the School Division has adopted credit policies which include close monitoring of overdue accounts.

The School Division does not have a significant exposure to any individual customer. Management reviews accounts receivable on a case by case basis to determine if a valuation allowance is necessary to reflect impairment in collectability.

The aging of other accounts receivable at August 31, 2023 was:

	August 31, 2023				
	Total	0-30 days	30-60 days	60-90 days	over 90 days
Other Receivables	\$ 619,270	\$ 540,483	\$ 1,401	\$ -	\$ 77,386
<b>Net Receivables</b>	<b>\$ 619,270</b>	<b>\$ 540,483</b>	<b>\$ 1,401</b>	<b>\$ -</b>	<b>\$ 77,386</b>

Receivable amounts related to GST and PST are not applicable to credit risk, as these do not meet the definition of a financial instrument.

**NOTES TO THE FINANCIAL STATEMENTS**  
**As at August 31, 2023**

**18. RISK MANAGEMENT (continued)**

**ii) Liquidity Risk**

Liquidity risk is the risk that the School Division will not be able to meet its financial obligations as they come due. The School Division manages liquidity risk by maintaining adequate cash balances and budget practices and monitoring.

The following table sets out the contractual maturities of the School Division's financial liabilities:

	August 31, 2023

**iii) Market Risk**

The School Division is exposed to market risks with respect to interest rates and foreign currency exchange rates, as follows:

**Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The School Division's interest rate exposure relates to cash and cash equivalents and portfolio investments. The School Division also has an authorized bank line of credit of \$5,000,000 with interest payable monthly at a rate of prime minus 0.50% per annum. Changes in the bank's prime rate can cause fluctuation in interest payments and cash flows. There was no balance outstanding on this credit facility as of August 31, 2023.

The School Division minimizes these risks by:

- holding cash in an account at a Canadian bank, denominated in Canadian currency
- investing in GICs and term deposits for short terms at fixed interest rates
- managing cash flows to minimize utilization of its bank line of credit

**Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The School Division is exposed to currency risk on purchases denominated in U.S. dollars for which the related accounts payable balances are subject to exchange rate fluctuations; however, the School Division believes that it is not subject to significant foreign exchange risk from its financial instruments.
