Dear Parents and Guardians,

This is a follow up to the messages previously sent regarding teacher job action. We received a communication today stating that the Saskatchewan Teachers' Federation's provincewide withdrawal of all voluntary professional responsibilities will be suspended effective June 14, 2024 at 4:00 p.m. This means we are back to regular operations.

Thank you for your continued support, understanding and flexibility while we respond to the unpredictability that comes with job sanctions. Our staff work hard to build relationships and do great things for students and families each day. We will continue to build those strong relationships despite challenges that come our way.

If any new information comes our way, we will forward it as soon as possible. Thank you for your continued understanding, it is appreciated.

Yours in Education,

Neil Finch

Director of Education
Saskatchewan Rivers Public School Division
