

Arnie Lindberg

I am again asking for your support as I am seeking a position on the Saskatchewan Rivers Public School Board, a role I have enjoyed since first being elected in 2008. As a parent, educator, and advocate for quality education, I am passionate about ensuring that every student in our division has access to the best opportunities for success.

Over the years, I've worked closely with students, teachers and families, and I understand the challenges our schools face. I believe in:

- Supporting our teachers by providing them with the resources and training they require to thrive in their classrooms.
- Ensuring all students are heard and valued, maintaining and enhancing environments where they can grow academically, socially and emotionally.
- Strengthening communication between the school board and our community, so all voices are represented in important decisions.

I would be honored to have your vote on November 13, and look forward to serving Saskatchewan Rivers Public School Division with transparency, dedication and integrity.

Sincerely,
Arne Lindberg.
