

Bill Gerow - Subdivision 5

I am asking for your support as I continue supporting you as a trustee on the Saskatchewan Rivers School Board.

My career, family, and life has always been in the Big River, Debden and Canwood areas. I was a teacher and administrator who took to heart the needs of all students and the communities they are from.

I understand the challenges that face small towns and I am DEDICATED in maintaining our school's culture, integrity and uniqueness.

I am always open and responsive to your concerns and questions. I feel we need someone to stand up for our values and way of life when faced with the many challenges. I am a life long Educator and I always have the best interest of students, teachers and parents in mind when making decisions and will always continue to do so.

Thank you for your support!
