

Jaimie Smith-Windsor - Subdivision 3

I'm seeking re-election as the trustee representing Subdivision 3. I hold a Masters degree in Political Science, a Professional Director certificate in governance. I'm a local business owner of 22 years and an engaged parent of school-aged children. As the elected President of the Saskatchewan School Boards Association and the elected Vice-President of the Canadian School Boards Association I champion high-quality publicly funded education at a time when strong, experienced, non-partisan leadership is needed.

I advocate for:

- Full-time Kindergarten
- School nutrition programs
- Safe, caring & inclusive schools
- Sustainable rural schools
- School mental health
- Infrastructure renewal
- Indigenous education
- Sufficient provincial funding
- Safeguarding education from centralization and privatization
- Fiscal responsibility, keeping public tax dollars in publicly funded schools
- Exempting schools from provincial and federal taxes

Education belongs to our communities. I commit to decision-making that's focused on supporting classrooms, staff, learning and the best interests of students.
