

Kurtis Hamel

Kurtis Hamel is running for Trustee in the Saskatchewan Rivers Public School Division, bringing over two decades of experience in education. As a dedicated high school teacher at Spiritwood High School for the past 18 years, and with 24 years in the profession, Kurtis has a deep understanding of the needs of students and educators alike.

Throughout his career, Kurtis has been actively involved in numerous professional committees, including the STF committee on First Nation, Metis, and Inuit Resource Review, the Senior Social Sciences Curriculum Renewal, and as an STF Councillor. His leadership extends beyond the classroom, having formerly been a member of the Kinsmen Club of Prince Albert and spearheading the successful effort to bring Dolly Parton's Imagination Library to Prince Albert—an early literacy program that provides children from birth to age five with a free book each month.

Kurtis is committed to fostering positive change in the school system, and his guiding principle as a trustee is ensuring that every board decision is framed around one critical question: “How will this board decision directly and positively impact students and teachers in the classroom?” His vision is to create policies that enhance the educational experience for both students and educators, ensuring that every decision contributes to a thriving, supportive learning environment
