

Shayne Morley

My name is Shayne Morley, and I am running for the position of School Board Trustee in the upcoming in-city election for Saskatchewan Rivers Public School Division. Proudly raised and educated in the public school system, and a graduate of W.P. Sandin High School, I have spent the past 36 years living and working in Prince Albert. Employed with the Ministry of Corrections, Policing and Public Safety I have gained a deep understanding of our community's needs. This perspective is further enriched by my family of educators who have provided me with valuable insights into the importance of teaching and the challenges faced in today's schools and classrooms.

If elected as a school board trustee, I look forward to drawing on my background in labor relations and municipal government to advocate for equitable funding and policies that benefit both students and educators. My experiences working with various boards and associations have highlighted the importance of community engagement and collaboration among all stakeholders; therefore ensuring that every voice is valued and heard. Committed to strong governance and effective problem-solving, I aim to represent the diverse needs of our students and community. Additionally, my time as a volunteer has deepened my appreciation for the role of community involvement and mentorship in fostering growth and success in our youth.

I respectfully ask for your support on November 13, as I am committed to advocate for education with a strong emphasis on integrity and commitment.
