

Welcome To Saskatchewan Rivers Public School

We are happy to welcome your children back to our schools as they prepare to head back on **Tuesday, September 3, 2024**. Kindergarten and Prekindergarten students may have alternate start times in the first week of school, so please look for information from your local school regarding details. We are excited about the engaging and innovative learning experience awaiting us in the 2024-25 school year.

Whether you have been part of our community for some time or if you have just joined us, we are glad that you are part of our community. We are privileged to have our division within Treaty 6 Territory and on the traditional Homeland of the Métis; and Indigenous people are a vibrant part of our past, present and future. Saskatchewan Rivers Public School Division is held in high regard by local and provincial members of the education sector, and you will find this to be a dynamic organization dedicated to student achievement. We take immense pride in our students for excelling in our exceptional programs, and in our employees, who, in every role, serve our students and families.

The Board of Education is clearly focused on its motto to achieve excellence for every learner. That focus has enabled the division to consistently improve and has empowered staff to provide the best programs possible for nearly 9000 Prekindergarten – grade 12 students in 32 school communities. The diversity of students and families within our community is well-served by dedicated staff members who are focused on ensuring that all students achieve high standards.

Saskatchewan Rivers Public School Division has set out priorities in the Strategic Plan as listed in this poster.

Saskatchewan Rivers Public School Division is a place of excellence, and we are proud of the work we do with students, families and other partners in our educational community. If you have any questions or concerns, or suggestions, please contact us at your local school or at the Education Centre (306-764-1571 or toll free 1-888-764-1571). We welcome the opportunity for conversation and look forward to working with you as we pursue excellence for every learner.

Yours in Education,

Neil Finch
Director of Education
Saskatchewan Rivers Public School
Division
